

Entering an NCT Number into Velos

Version 20220616

Steps to follow to Enter and Obtain the NCT

STEP 1: Retrieve the NCT# from the ClinicalTrials.gov Website

1. Open an Internet Browser (Internet Explorer, Google Chrome, etc.) and type www.clinicaltrials.gov into the address bar.
2. Search for the study by its identifying number into the “Other Terms” field as indicated below:

- a. Industry Sponsored – **Sponsor Protocol Number**
- b. Cooperative Sponsored – **Cooperative Sponsored Protocol Number**
- c. Investigator Initiated Study – **eProst ID or Grant Number**

▲ IMPORTANT: Listing of a study on this site does not reflect endorsement by the National Institutes of Health. Talk with a trusted healthcare professional before volunteering for a study. [Read more...](#)

3. Select the “[Search all studies](#)”

Once the search has successfully found the study, there should display one or more studies. If more than one study appears with the same identifying Number entered, scroll through the studies and select the desired study by clicking on the “Study Title” displayed in the table. This can also be completed by verifying the Sponsor/collaborator field and locations.

Row	Saved	Status	Study Title	Conditions	Interventions
1	<input type="checkbox"/>	Recruiting	Title	Systemic Lupus Erythematosus	Drug: Interleukin-2; Drug: glucocorticoid

- Clicking the title should redirect to the “Study Record Detail” page. The NCT # will be located under the Brief Title listed as the **ClinicalTrials.gov Identifier**.

IMPORTANT: Listing of a study on this site does not reflect endorsement by the National Institutes of Health. Talk with a trusted healthcare
